

Landscape Architect

Austin, TX

Rialto Studio is looking to add a skilled Landscape Architect with 3-6 years of experience to our Austin team. We are seeking a creative, versatile individual who shares our enthusiasm for good design and teamwork. This individual will need adaptability and energy to work on a wide variety of design projects, and the desire to learn and teach others. The successful candidate will manage and execute projects in our Austin office and collaborate with our San Antonio team to plan, design, document, and observe the execution of constructed projects.

Responsibilities will include:

- Managing projects and assisting in all aspects of project delivery, including design, documentation, coordination, and construction observation
- Interfacing with clients and other consultants
- Leading and collaborating with other professionals and subconsultants
- Managing and mentoring junior staff
- Managing project schedules, budgets, fees and programs
- Professional development and networking encouraged

WHO WE ARE

Rialto Studio practices a broad definition of landscape architecture, designing projects of multiple types and scales. We embrace a multidisciplinary team approach to problem solving and have built our success on thoroughness, attention to detail, and an abiding empathy for the character and sense of a place. That approach has yielded a long history of successfully constructed projects that are among Texas's most important and enduring places.
